

Dr Passmore highlights how the UK compares with the rest of Europe on home insulation measures, as the final speaker of the 2007 Conference.

Visit ukheca.org.uk/conference, to watch videos of this year's speakers as well as the one hour long debate session.

Conference Chair's Report

Holding the conference in Belfast was a challenging task, and it was very satisfying to see the positive feedback. Not only did the Conference Steering Group have to deal with the logistics of holding the Conference in Northern Ireland, the format of the Conference changed by holding site visits throughout Belfast.

I would like to thank our colleagues at the Northern Ireland Housing Executive for their help and support with the Conference. UK HECA would also express thanks to all main sponsors (Northern Ireland Electricity, firmus energy, Phoenix Natural Gas, Kingspan Insulation, eaga plc, and Action Renewables) as well as all exhibitors. Once again congratulations to all the award winners and it was great that each winner was in attendance. Thanks also to John Davis for his sterling work as MC for the Gala Dinner.

The Conference benefited by having John Cheshire and Baroness Maddock chairing each day, all plenary speakers and workshop facilitator presentations were of a high standard, and the school children of class P6, St Peter's Primary School entertained us all.

The Steering Group welcomes all comments received with the feedback forms, these comments help the Steering Group focus on what works well and any improvements that can be made.

I have now stepped down as the Chair of the Conference Steering Group. On a personal note, I would like to express my thanks to the excellent work that the secretariat service provides in organising the Conference, and to all colleagues of the Steering Group. It's been a great journey over the last four years; hard work but some fun as well and I wish you well in your plans for future conferences. I hope to be there as a delegate.

See you next year in Sollihull.

Steve Martin
Conference Steering Group Chair
