Green Deal

Our role & proposition

- Scheme set up
- Liaise with DECC and energy companies
- Legal and contractual framework
- Funders and funding mechanism
- Governance and reporting
- Financial management
- Audit and quality control.

- Select and procure assessors and installers
- Operational management – sign-up, assessment, installation
- Consent and EPC process
- Customer contact and management
- Complaints, warranties and maintenance.

Green Deal

What can be done now?

- Partnerships
- Consider your role (if any) and potential partners
- Stock survey - size of scheme
- Own scheme or part of a national scheme
- Framework Agreement if necessary
- Green Deal workshops
- Updates

Thank You for Listening
