West Midlands
Combined Authority

Why here?

- 1.7 million homes in WMCA region
- Around 200,000 are home to people in fuel poverty
- Pockets of expertise in identifying projects across region
- Home to the Sustainable Housing Action Partnership (SHAP)
- 5G regional testbed

Aims

- More efficient and cost-effective than current scheme
- Deliver fuel poverty, clean growth and industrial strategy objectives
- Lower management and administration costs
- More effective enforcement and quality assurance
- Holistic and person-based approach to fuel poverty reduction
- Realise benefits of public health and social care integration
- Best use of emerging sensor and communication technologies
