

Visiting Hestia's Aquinas House offices

By foot from New Street Station (Railway) - 20 minutes walk

The station escalators lead to the Palisades shopping area, or an alternative exit will bring you into Navigation Street. Make your way into New Street. The 'Jewellery Quarter' is well signposted from the City Centre - make your way via Victoria Square or Newhall Street. Once you have arrived at the Clock Tower (junction of Warstone Lane and Frederick Street), turn left into Warstone Lane and you will find Aquinas House on the left on the corner with Tenby Street North.

By foot from Snow Hill Station (Railway / Metro) - 15 minutes walk

As you exit the station, turn right onto Colmore Row. Take the third turning right onto Newhall Street to meet the route from New Street Station above.

By foot from the Jewellery Quarter station (Metro) - 5 minutes walk

Turn right as you leave the station and walk along Vyse Street to the Clock Tower. Turn right at the Clock into Warstone Lane and you will see Aquinas House on the left a short distance along, on the corner with Tenby Street North.

NB. The Metro leaves from Snow Hill Station and connects via Jewellery Quarter to Wolverhampton St. Georges.

Taxis are available from New Street Station - less than 10 minutes and £5 - £6

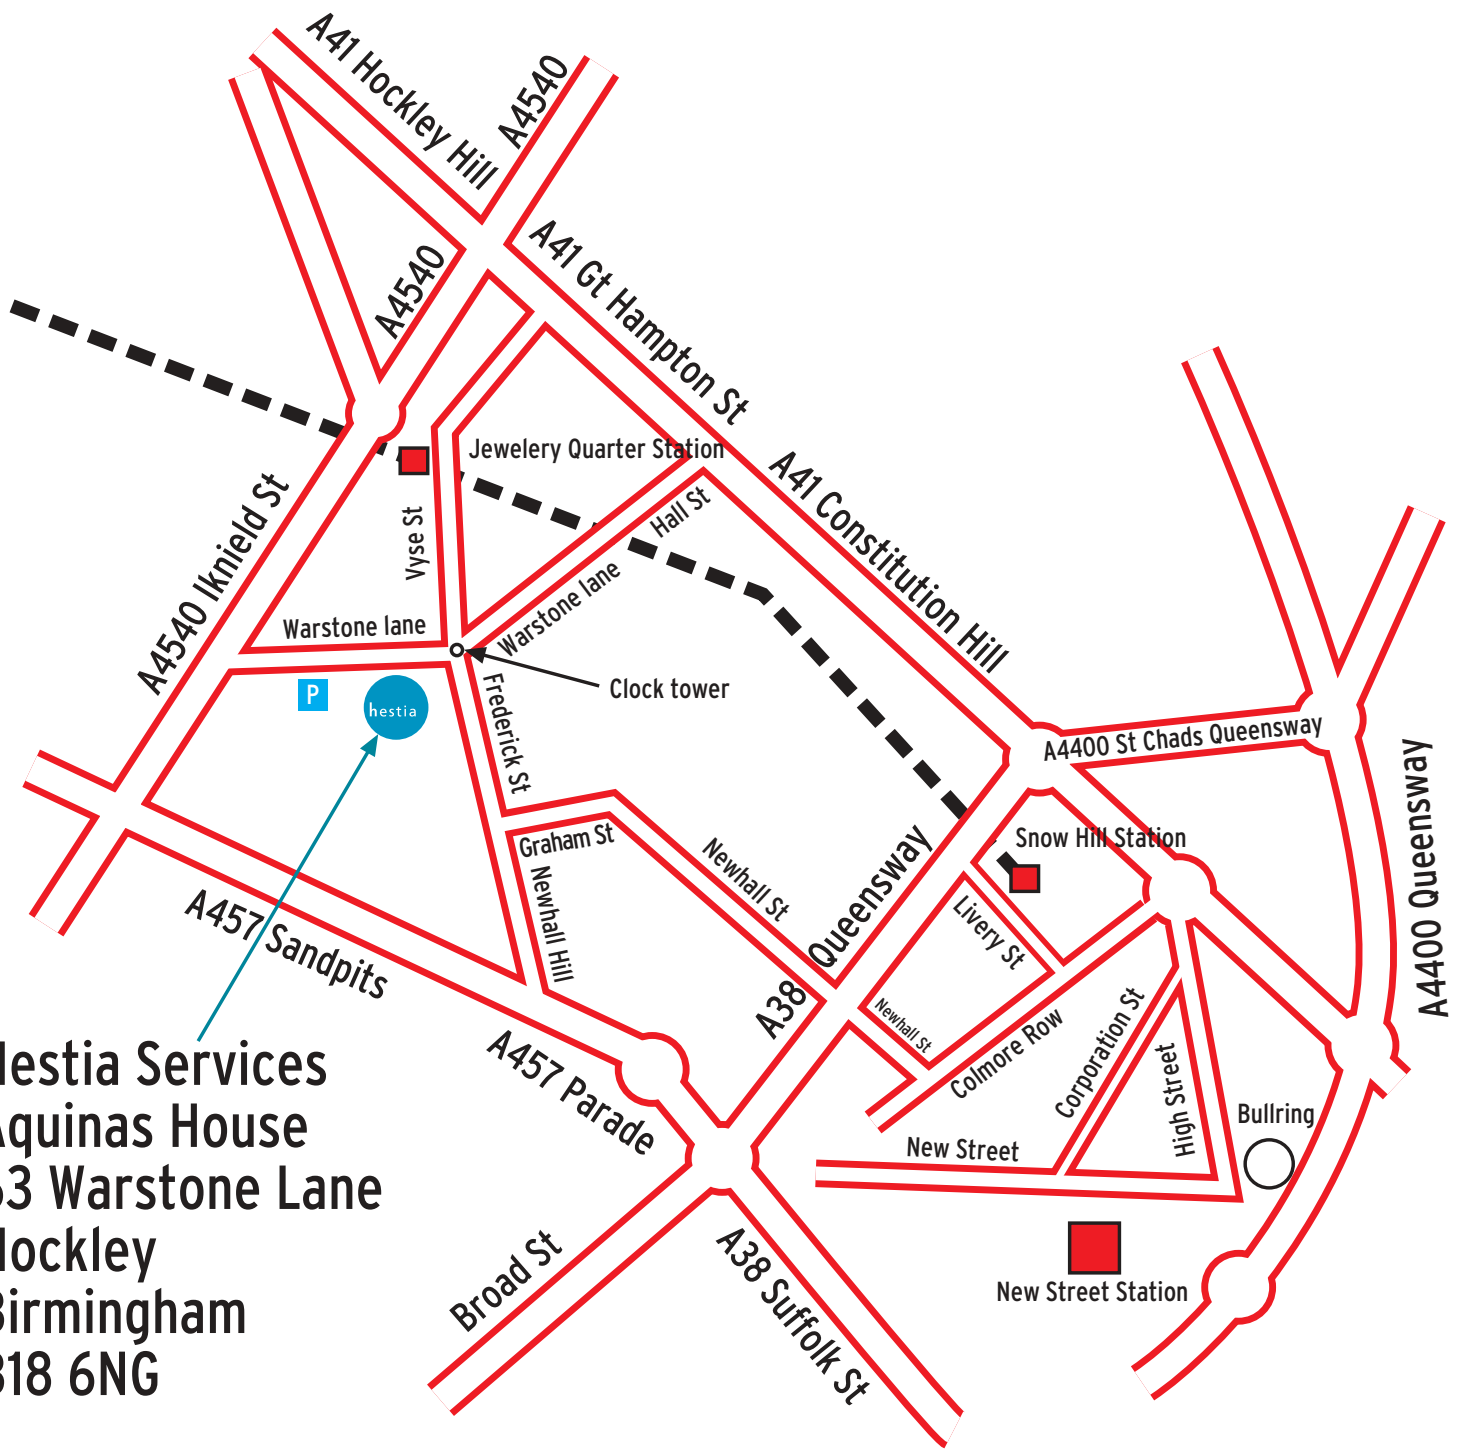

If you are using a private car, there are a number of car parks in the area and some street parking is also available. The Jewellery Quarter is not (as yet) facing the same levels of congestion as the City Centre. A convenient open car park is located at the junction of Warstone Lane and Carver Street.
